

PURPOSE

To provide the foster parent(s) with a specific grievance policy and procedure to formally address complaints with the agency.

Grievances must be filed within thirty (30) days of disposition notification to be considered for review.

Please refer to MEPA Complaint Policy for information on filing complaints of alleged discriminatory acts, policies, or practices in the foster care or adoption process that involve race, color, or national origin.

PROCEDURES

Step 1: The foster parent(s) should discuss complaints with assigned caseworker.

Step 2: If the complaint is not resolved in Step 1, the foster parent(s) should contact the immediate supervisor to discuss the situation. The supervisor will investigate the concern and report back, verbally or in writing to the foster parents within five working days.

Step 3: If these steps have not resolved the problem satisfactorily, the foster parent(s) may file a formal written grievance with the Executive Director. A grievance committee will be assembled and will schedule a meeting within five working days. *(Continued on next page)*

The grievance committee shall be chaired by the Deputy Director of Programs and shall consist of the following members:

- A) One foster care caseworker
- B) One Family Services supervisor
- C) Two foster parents, one of whom shall be an officer of the Athens County Foster Parents Association
- D) One Placement Services supervisor

Step 4: The grievance committee will have the functions of fact finding and recommendations to the Executive Director. The foster parent(s) may be present at the grievance committee meeting and may invite other persons if they wish. If a foster parent would like to bring an attorney, the foster parent(s) must notify the agency 24 hours prior to the meeting so that an agency attorney can be present. The meeting will not proceed if notice is not given regarding an attorney or unless the attorney removes him/herself from the grievance meeting.

Within three working days after the meeting, the grievance committee shall submit a written recommendation to the Executive Director with copies to the foster parent and other involved parties.

(Continued on next page)

Step 5: The Executive Director will review the grievance and recommendations and make a decision. A written reply of said grievance will be sent to the foster parent(s) within thirty days from the date the grievance was filed.

Step 6: If the foster parent(s) complainant is dissatisfied with the local agency decision, the foster parent(s) may request a hearing by the district office of the Ohio Department of Job and Family Services.
